**WV Birth to Three
Service Authorization**

March 28, 2025

This serves as authorization for a vision evaluation and the billing of those services to the WV Birth to Three system, as the State's Part C early intervention system. **Services conducted without prior authorization will not be covered.**

NAME: SOPHIA LAUREN (Authorization #A20150000) DOB: 04-31-2021

EFFECTIVE DATE: 03/28/2021

Services authorized: Vision Evaluation -. Vision evaluations are for a single date of service to determine developmental vision concerns. An evaluation report including recommendations for an additional service such as corrective lenses must be submitted to WVBTT to obtain prior authorization. This authorization does not pertain to ongoing treatment of any diagnosed medical condition.

The purpose of the letter is to authorize a vision evaluation for the above child, as a component of the overall assessment and service provision process under Part C of the Individuals with Disabilities Education Act (IDEA). The purpose of the evaluation is to provide information to the child's Individualized Family Service Plan (IFSP) team members for intervention planning purposes. Information will assist the team to understand the potential developmental impact of any diagnosed vision problems.

Authorized agency/provider: U SEE ME TOO
55 SPECTACLE ROAD
