A Newsletter of Choices Child Care Resource and Referral

April, May, and June 2024

What's new at Choices?

We have a few new things happening at Choices and across the state! TRAILS teams from all Resource and Referral agencies have transitioned to the Soutron inventory system. This system allows users to view inventory online and request items to borrow. If you have not requested your user account yet, contact our TRAILS team. The next big change happening in the R&Rs is the addition of 2 coaching positions to our Professional Development teams. Providers will have access to an Infant Toddler Coaching Specialist and a Child Care Coaching Specialist. These individuals will be available for in-depth coaching to improve quality in programs! In the world of professional development, the Division of ECE has also directed the delivery of 2 summits hosted by Behavioral Consultants and Quality Improvement Specialists. See the included flyers for information about these training opportunities!

Recognitions

Choices would like to recognize **Katlyn Keys** and **Elyse Griswold** from Lasting Impressions CDC in Harrison County on their approval for the WV Child Care General Credential!

Congratulations to **Katlyn Keys** on her approval for the Director Credential and **Lisa Starkey** on her approval for the Preschool Credential!

For more information regarding the WV Child Care Credential contact Meagann.E.Morris@wv.gov Or scan the QR code!

Specialization Credentials Now Available!

The Division of Early Care and Education understands the importance of the work you do, and wants to help produce the best caregivers and child care programs possible for West Virginia families. The Division is pleased to announce West Virginia Child Care Credential Specializations! Once a provider has attained their West Virginia Child Care General Credential, they can continue their journey with a Specialization.:

- Director Specialization
- Infant Toddler Specialization
- Preschool Specialization
- Family Child Care Specialization

Once the Specialization Credential is achieved, a bonus of \$250.00 is available. For more information about this exciting new initiative, please contact Meagann Morris at Meagann.E.Morris@wv.gov or (304)485-2668

Thank you for all you do for West Virginia families and communities.
Your hard work is greatly appreciated!

West Virginia Tiered Reimbursement Program

Congratulations to **Tiffany Jones** and **Kaula McVey**, both family child care providers in Wood county on their approvals as Tier II quality programs.

The Child Care Reimbursement System is a quality initiative that offers higher subsidy payments to programs that demonstrate they meet higher standards of care. Programs may apply for Tier II if specific higher quality standards are met. These providers receive a higher childcare reimbursement rate and are eligible for additional bonus payments.

If you are interested in becoming a Tier II program,
contact your Quality Improvement Specialist.

The Advantages of having a Breastfeeding Friendly Child Care Designation:

1. Designation shows the community your commitment to quality care.
2. Child and Adult Care Feeding Program (CACFP) meal reimbursements are available when mothers breastfeed at the center or provide breastmilk for feeding their infant.
3. Designation can positively affect staff recruitment and retention as well as productivity and morale.
4. Sites achieving designation receive a bonus stipend, certificate of designation and recognition, and materials for start up.

Scan the QR code to learn more about this designation and the 10-step process to becoming a breastfeeding friendly program.

Who's New At Choices?

Hello, my name is Abigail Carter and I am the new Early Childhood Specialist at Choices in Parkersburg. I have a Bachelor's in Education from Brazil where I grew up. I have a Masters in Special Education from Ohio University and am presently working on completing my PhD in both Art and Education. I was a teacher for many years in Brazil and after moving to the US in 2017, I was a teacher at Head Start and at the Ohio University Child Development Center. I'm excited to work with all of you at Choices CCR&R!

Hello, my name is Jacklin Moats and I am the Provider Case Manager at Choices in Clarksburg. I received my degree in Psychology and Business through Davis & Elkins College in 2015. After completing a practicum with Women's Aid in Crisis, I fell in love with social work. Prior to this position, I have worked with IDD Waiver as both a Positive Behavior Support Professional and Service Coordinator at two different agencies, as a Children's Case Manager and Admission Specialist and as a Child Welfare Case Manager. In my free time, I enjoy playing video games, fishing, painting, and exploring what the world has to offer!

Food and Fun

Fruit Pizza

Materials: Baking sheet, refrigerated cookie dough (16.5 oz), softened cream cheese (8 oz), marshmallow cream (7 oz), 2-3 cups of preferred fruit.

Instructions: Preheat oven to package directions. Using your hands, spread the dough evenly on a cookie sheet. Pierce the dough with a fork to prevent air bubbles. Bake until lightly browned. While the cookie is baking, allow children to cut up several different kinds of fruit. Remove the cookie from the oven and cool completely. Mix the marshmallow cream and cream cheese until smooth and creamy. Frost the cookie "crust" with the marshmallow cream mixture. Cover the pizza with fruit. Refrigerate until serving.

Bird Feeder

Materials: Ice cream sugar cones, peanut butter, plain cheerios, bird seed, and pipe cleaners. Be mindful of allergies in your program and substitute as needed.

Instructions: Cut the tip off the end of the ice cream cone and thread a pipe cleaner with a knot on one end through the opening. Make a loop on the other end to hang the feeder once completed. Spread peanut butter over the entire cone and place cheerios around each side. Roll each cone in a bowl of bird seed, pressing lightly to make it stick. When the cone is finished, help children hang it outside on a tree or fence. Watch for birds to enjoy their treat!

Nature Crown

Materials: Flexible cardboard or cardstock, tape, glue, nature items such as pinecones, acorns, leaves, bark, twigs, pine needles etc.

Instructions: Go outside and encourage children to gather nature supplies. Consider asking families to bring in nature items from different locations to get more variety! Cut strips of cardboard to fit around each child's head and tape them into crowns. Prompt children to glue their nature findings to their cardboard crown. Engage children in conversation about the different nature items you can find during each season.
