Dear -----:

Attached is a copy of the findings of fact and conclusions of law on your hearing held July 14, 2009. Your hearing request was based on the Department of Health and Human Resources' proposal to reduce your homemaker service hours under the Aged/Disabled (HCB) Title XIX Waiver Services Program.

In arriving at a decision, the State Hearing Officer is governed by the Public Welfare Laws of West Virginia and the rules and regulations established by the Department of Health and Human Resources. These same laws and regulations are used in all cases to assure that all persons are treated alike.

Eligibility for the Aged/Disabled Waiver Program is based on current policy and regulations. One of these regulations specifies that for the Aged/Disabled Waiver Program, the number of homemaker service hours is determined based on the Level of Care (LOC). The Level of Care is determined by evaluating the Pre-Admission Screening Form (PAS) and assigning points to documented medical conditions that require nursing services. Program services are limited to a maximum number of units/hours which is reviewed and approved by WVMl. (Aged/Disabled Home and Community-Based Services Waiver Policy and Procedures Manual, Chapter 500, §§501.3.2.1 & 501.3.2.2)

Information submitted at the hearing reveals that you continue to require the level of care and services consistent with a level "C" Level of Care (LOC).

It is the decision of the State Hearing Officer to **reverse** the proposal of the Department to reduce your homemaker service hours under the Medicaid Title XIX (HCB) Waiver Services Program.

Sincerely,

Thomas E. Arnett

**DECISION OF STATE HEARING OFFICER**

**I. INTRODUCTION:**

This is a report of the State Hearing Officer resulting from a fair hearing concluded on August 5, 2009 for -----. This hearing was held in accordance with the provisions found in the Common Chapters Manual, Chapter 700 of the West Virginia Department of Health and Human Resources. This fair hearing was convened on July 14, 2009 on a timely appeal filed April 16, 2009.

It should be noted that the Claimant's benefits have continued at a Level "C" level of care pending a hearing decision.

**II. PROGRAM PURPOSE:**

The ADW Program is defined as a long-term care alternative that provides services that enable an individual to remain at or return home rather than receiving nursing facility (NF) care. Specifically, ADW services include Homemaker, Case Management, Consumer-Directed Case Management, Medical Adult Day Care, Transportation, and RN Assessment and Review.

**III. PARTICIPANTS:**

-----, Claimant

-----, Claimant's daughter-in-law

-----, Homemaker PPL

Kay Ikerd, RN, BoSS (Participated telephonically)

Debra LeMasters, RN, WVM I (Participated telephonically)

Presiding at the hearing was Thomas E. Arnett, State Hearing Officer and a member of the State Board of Review.

**IV. QUESTIONS TO BE DECIDED:**

The question(s) to be decided is whether or not the Department was correct in its proposal to reduce the Claimant homemaker services hours (LOC) provided through the Medicaid Aged and Disabled Waiver Program.

**V. APPLICABLE POLICY:**

Chapter 501 – Covered Services, Limitations, and Exclusions for Aged and Disabled Waiver Services, Section 501.3.2.1 & 501.3.2.2

**VI. LISTING OF DOCUMENTARY EVIDENCE ADMITTED:**

**Department's Exhibits:**

- D-1 Chapter 501 – Covered Services, Limitations, and Exclusions for Aged and Disabled Waiver Services - Section 501.3.2.1 & 501.3.2.2
- D-2 Pre-Admission Screening for Aged/Disabled Waiver Services (PAS) dated 3/31/09
- D-3 Notice of Decision dated April 6, 2009

**Claimant's Exhibits:**

- C-1 Discharge Summary from [REDACTED] Medical Center dated 2/5/09

**VII. FINDINGS OF FACT:**

- 1) On March 31, 2009, the Claimant was medically assessed (D-2) to determine continued medical eligibility and assign an appropriate Level of Care, hereinafter LOC, for participation in the Aged/Disabled Waiver Services Program (ADW). It should be noted that the Claimant was receiving Homemaker Services at a level "C" LOC at the time of the reevaluation.
- 2) On or about April 6, 2009, the Claimant was notified via a Notice of Decision (D-3) that she continues to be medically eligible to participate in the ADW Program, however, the amount of homemaker service hours were reduced to 93 hours per month (Level "B" LOC).
- 3) The Department cited Medicaid policy and called its witness to review the medical findings on the Pre-Admission Screening (PAS) Form. The WVMI RN reviewed the PAS (D-2) and testified that the Claimant was awarded 16 points for documented medical conditions that require nursing services. She testified that this finding is consistent with a LOC "B" (10-17 points) making the Claimant eligible for 3 hours per day or 93 hours per month of homemaker services.

- 4) The Claimant contends that she should remain a LOC “C” as she should have been awarded two (2) additional points – One point for #23.h. (pain) and a second point for #23.k.(Mental Disorder).

The Claimant reported during the assessment that she was experiencing pain (see D-2, page 3 of 9, however, the WVMi documented that she was not taking any medications for pain and there was no physician diagnosis. It was noted, however, that the Claimant was scheduled to attend an appointment at the pain clinic in May 2009. Testimony received at the hearing alleged that the Claimant was taking prescription pain medication at the time of the assessment and the Discharge Summary from [REDACTED] Medical Center (C-1) includes a the following relevant clinical impression/diagnosis regarding pain - Intense pain mid and lower back / degenerative arthritis of the Lumbosacral Spine. The evidence clearly demonstrates the Claimant should have been awarded a point for pain at the time of the assessment. One additional point (+1) is therefore awarded.

Specific to the issue of mental disorder, the Claimant’s representatives cited a notation in Exhibit C-1 that refers to a hallucination incident in February 2007. A thorough review of this document reveals that the physician provided a clinical impression / diagnosis of “Anxiety State.” Based on the evidence, the Claimant qualifies for an additional point (+1) under section 23.k. for a mental disorder.

- 5) Aged/Disabled Home and Community-Based Services Waiver Policy Manual 501.3.2.1 and 501.3.2.2: There will be four levels of care for clients of ADW homemaker services. Points will be determined based on the following sections of the PAS:

- #23 - Medical Conditions/Symptoms- 1 point for each (can have total of 12 points)
- #24 - Decubitus- 1 point
- #25 - 1 point for b., c., or d.
- #26 - Functional abilities
  - Level 1- 0 points
  - Level 2- 1 point for each item a. through i.
  - Level 3- 2 points for each item a. through m.; i. (walking) must be equal to or greater than Level 3 before points are given for j. (wheeling)
  - Level 4 - 1 point for a., 1 point for e., 1 point for f., 2 points for g. through m.
- #27 - Professional and Technical Care Needs- 1 point for continuous oxygen
- #28 - Medication Administration- 1 point for b. or c.
- #34 - Dementia- 1 point if Alzheimer’s or other dementia
- #34 - Prognosis- 1 point if terminal

The total number of points allowable is 44.

**LEVELS OF CARE SERVICE LIMITS**

Level A - 5 points to 9 points- 2 hours per day or 62 hours per month

Level B - 10 points to 17 points- 3 hours per day or 93 hours per month

Level C - 18 points to 25 points- 4 hours per day or 124 hours per month

Level D - 26 points to 44 points- 5 hours per day or 155 hours per month

**VIII. CONCLUSIONS OF LAW:**

- 1) Policy provides that an individual's Level of Care (LOC) for the Aged/Disabled Waiver Program is determined by the number of points awarded on the PAS assessment tool.
- 2) The Claimant received 16 points on a PAS completed by WVMi in March 31, 2009.
- 3) As a result of the evidence presented at the hearing, two (2) additional points were awarded to the Claimant's LOC determination.
- 4) In accordance with existing policy, an individual with 18 points qualifies as a level "C" LOC and is therefore eligible to receive 4 hours per day or 124 hours per month of homemaker services.

**IX. DECISION:**

It is the decision of the State Hearing Officer to **reverse** the Agency's proposal to reduce the Claimant's homemaker service hours under the Aged/Disabled, Title XIX (HCB), Waiver Program.
