Dear -----:

Attached is a copy of the findings of fact and conclusions of law on your hearing held August 26, 2009. Your hearing request was based on the Department of Health and Human Resources' proposal to reduce your homemaker service hours under the Aged/Disabled (HCB) Title XIX Waiver Services Program.

In arriving at a decision, the State Hearing Officer is governed by the Public Welfare Laws of West Virginia and the rules and regulations established by the Department of Health and Human Resources. These same laws and regulations are used in all cases to assure that all persons are treated alike.

Eligibility for the Aged/Disabled Waiver Program is based on current policy and regulations. One of these regulations specifies that for the Aged/Disabled Waiver Program, the number of homemaker service hours is determined based on the Level of Care (LOC). The Level of Care is determined by evaluating the Pre-Admission Screening Form (PAS) and assigning points to documented medical conditions that require nursing services. Program services are limited to a maximum number of units/hours which is reviewed and approved by WVMI. (Aged/Disabled Home and Community-Based Services Waiver Policy and Procedures Manual 501.3)

Information submitted at your hearing reveals that you continue to require the degree of care and services necessary to qualify medically for the Aged/Disabled Waiver Program and your documented medical conditions confirm that your Level of Care should be a Level "C" rating. As a result, you are eligible to receive four (4) hours per day or 124 hours per month of homemaker services.

It is the decision of the State Hearing Officer to **reverse** the proposal of the Department to decrease your Level of Care under the Aged/Disabled Waiver Program.

Sincerely,

Pamela L. Hinzman

DECISION OF STATE HEARING OFFICER

I. INTRODUCTION:

This is a report of the State Hearing Officer resulting from a fair hearing concluded on August 27, 2009 for -----. This hearing was held in accordance with the provisions found in the Common Chapters Manual, Chapter 700 of the West Virginia Department of Health and Human Resources. This fair hearing was convened telephonically on August 26, 2009 on a timely appeal filed March 4, 2009. The hearing was originally scheduled for May 14, 2009, but was continued at the request of the Department. It was rescheduled for June 23, 2009 and again for July 9, 2009, but was continued at the request of the Claimant.

It should be noted that the Claimant's benefits have continued pending a hearing decision.

II. PROGRAM PURPOSE:

Under Section 2176 of the Omnibus Budget Reconciliation Act of 1981, states were allowed to request a waiver from the Health Care Financing Administration (HCFA) so that they could use Medicaid (Title XIX) funds for home and community-based services. The program's target population is individuals who would otherwise be placed in an intermediate or skilled nursing facility (if not for the waiver services). Services offered under the Waiver Program will include: (1) chore, (2) homemaker and (3) case management services. West Virginia has been offering the Waiver Services Program since July, 1982 to those financially eligible individuals who have been determined to need ICF level care but who have chosen the Waiver Program services as opposed to being institutionalized.

III. PARTICIPANTS:

-----, Claimant's son
-----, Case Manager, Central West Virginia Aging Services
Kay Ikerd, RN, Bureau of Senior Services
Courtenay Smith, RN, West Virginia Medical Institute

Presiding at the hearing was Pamela L. Hinzman, State Hearing Officer and a member of the State Board of Review.

IV. QUESTIONS TO BE DECIDED:

The question(s) to be decided is whether the Agency was correct in its proposal to reduce the Claimant's homemaker service hours under the Aged/Disabled Waiver (HCB) Program.

V. APPLICABLE POLICY:

Aged/Disabled Home and Community-Based Services Manual Sections 501.3.2.1 and 501.3.2.2

VI. LISTING OF DOCUMENTARY EVIDENCE ADMITTED:

Department's Exhibits:

- D-1 Aged/Disabled Home and Community-Based Services Manual Sections 501.3.2.1 and 501.3.2.2
- D-2 Pre-Admission Screening (PAS) assessment completed on February 4, 2009
- D-3 Notice of Decision dated February 17, 2009
- D-4 Fair Hearing Request

Claimant's Exhibits:

- C-1 Information from Dr. [REDACTED] dated May 7, 2009

VII. FINDINGS OF FACT:

- 1) The Claimant, a recipient of Aged/Disabled Waiver (ADW) Medicaid benefits, underwent an annual reevaluation to verify continued medical eligibility for the program.
- 2) The West Virginia Medical Institute (WVMI) Nurse completed a medical assessment (D-2) on February 4, 2009 and determined that the Claimant continues to meet the medical eligibility criteria. The Claimant was assigned 17 points to documented medical conditions that require nursing services and meets the criteria necessary to qualify as a Level of Care "B" - eligible for three (3) hours per day or 93 hours per month of homemaker services. It should be noted that the Claimant previously qualified for a Level of Care "C"- eligible for four (4) hours per day or 124 hours per month of homemaker services.

- 3) The Claimant was sent notification on February 17, 2009 (D-3) advising him of the proposed reduction in homemaker service hours.
- 4) The Claimant's Case Manager provided Exhibit C-1, documentation from Dr. Robert Mace, which indicates that the Claimant has a diagnosis of expressive aphasia. She stated that she was only able to obtain the information from the physician in May 2009. The WVMi Nurse testified that the Claimant spoke clearly during the assessment, but made some irrelevant and/or senseless statements. His daughter-in-law was present during the assessment and told the nurse that the Claimant makes incomprehensible statements at times. The WVMi Nurse testified that she attempted to contact Dr. [REDACTED] office following the assessment to confirm the diagnosis of expressive aphasia, however she was unable to reach him. She testified that the information included on Exhibit C-1 was received untimely, therefore, she was unable to consider the additional diagnosis.

The Case Manager and the Claimant's son provided testimony to indicate that the Claimant needs more assistance to dress at times, however, the Claimant was noted to require physical assistance with dressing on the PAS.

- 5) Aged/Disabled Home and Community-Based Services Waiver Policy Manual Sections 501.3.2.1 and 501.3.2.2 (D-1): There will be four levels of care for clients of ADW homemaker services. Points will be determined based on the following sections of the PAS:

- #23- Medical Conditions/Symptoms- 1 point for each (can have total of 12 points)
- #24- Decubitis- 1 point
- #25- 1 point for b., c., or d.
- #26- Functional abilities
 - Level 1- 0 points
 - Level 2- 1 point for each item a. through i.
 - Level 3- 2 points for each item a. through m.; i. (walking) must be equal to or greater than Level 3 before points are given for j. (wheeling)
 - Level 4 - 1 point for a., 1 point for e., 1 point for f., 2 points for g. through m.
- #27- Professional and Technical Care Needs- 1 point for continuous oxygen
- #28- Medication Administration- 1 point for b. or c.
- #34- Dementia- 1 point if Alzheimer's or other dementia
- #34- Prognosis- 1 point if terminal

The total number of points allowable is 44.

LEVELS OF CARE SERVICE LIMITS

- Level A- 5 points to 9 points- 2 hours per day or 62 hours per month
- Level B- 10 points to 17 points- 3 hours per day or 93 hours per month
- Level C- 18 points to 25 points- 4 hours per day or 124 hours per month
- Level D- 26 points to 44 points- 5 hours per day or 155 hours per month

VIII. CONCLUSIONS OF LAW:

- 1) Policy dictates that an individual's Level of Care for the Aged/Disabled Waiver Program is determined by the number of points obtained on the PAS assessment tool.
- 2) The Claimant was awarded 17 points as the result of a PAS completed by WVMi in February 2009 in conjunction with his annual medical evaluation.
- 3) As a result of information presented during the hearing, one (1) additional point is awarded to the Claimant for the medical condition of aphasia. Information concerning the Claimant's expressive aphasia was provided during the assessment and policy does not specifically require a physician diagnosis under the medical conditions/symptoms section of the PAS.
- 4) The addition of one (1) point brings the Claimant's total number of points to 18, which is indicative of a Level of Care "C" (18 to 25 points).

IX. DECISION:

It is the decision of the State Hearing Officer to **reverse** the Agency's proposal to reduce the Claimant's homemaker service hours under the Aged/Disabled, Title XIX (HCB) Waiver Program.
