Dear -----:

Attached is a copy of the Findings of Fact and Conclusions of Law on your hearing held July 19, 2012. Your hearing request was based on the Department of Health and Human Resources' proposal to terminate your benefits under the Aged/Disabled (HCB) Title XIX Waiver Services Program.

In arriving at a decision, the State Hearing Officer is governed by the Public Welfare Laws of West Virginia and the rules and regulations established by the Department of Health and Human Resources. These same laws and regulations are used in all cases to assure that all persons are treated alike.

Eligibility for the Aged/Disabled Waiver Program is based on current policy and regulations. Some of these regulations state as follows: The Aged/Disabled (HCB) Title XIX Waiver Services Program is granted to those individuals who meet all eligibility requirements. One of these requirements is that the individual must qualify medically. Eligible individuals are those who qualify medically for a nursing facility level of care but have chosen the waiver program as a means to remain in their home where services can be provided. [Aged/Disabled (HCB) Services Manual Section 501]

Information submitted at your hearing reveals that you do not meet medical eligibility requirements for the Aged/Disabled Waiver Program.

It is the decision of the State Hearing Officer to **uphold** the proposal of the Department to terminate your benefits and services under the Aged/Disabled Waiver Program.

Sincerely,

Pamela L. Hinzman
State Hearing Officer

IN RE: -----,

CLAIMANT,

ACTION NO.: 12-BOR-1108

**WEST VIRGINIA DEPARTMENT OF
HEALTH AND HUMAN RESOURCES,**

RESPONDENT.

DECISION OF STATE HEARING OFFICER

I. INTRODUCTION:

This is a report of the State Hearing Officer resulting from a fair hearing for ----- . This hearing was held in accordance with the provisions found in the Common Chapters Manual, Chapter 700 of the West Virginia Department of Health and Human Resources. This fair hearing was convened via telephone on July 19, 2012, on an appeal filed April 12, 2012. The hearing was originally scheduled for June 7, 2012, but was rescheduled at the request of the Department.

It should be noted that the Claimant's benefits have been continued pending a hearing decision.

II. PROGRAM PURPOSE:

The ADW Program is defined as a long-term care alternative that provides services that enable an individual to remain at or return home rather than receiving nursing facility (NF) care. Specifically, ADW services include Homemaker, Case Management, Consumer-Directed Case Management, Medical Adult Day Care, Transportation, and RN Assessment and Review.

III. PARTICIPANTS:

-----, Claimant
Kay Ikerd, RN, Bureau of Senior Services
Brenda Myers, RN, West Virginia Medical Institute

Presiding at the hearing was Pamela L. Hinzman, State Hearing Officer and a member of the State Board of Review.

IV. QUESTION TO BE DECIDED:

The question to be decided is whether the Agency was correct in its proposal to terminate benefits under the Aged/Disabled Home and Community-Based Waiver Program.

V. APPLICABLE POLICY:

Aged/Disabled Home and Community-Based Services Manual Sections 501.5, 501.5.1 and 501.5.1.1

VI. LISTING OF DOCUMENTARY EVIDENCE ADMITTED:

Department's Exhibits:

- D-1 Aged/Disabled Home and Community-Based Services Manual Section 501
- D-2 Pre-Admission Screening (PAS) completed on December 29, 2011
- D-3 Potential Denial Notice dated January 4, 2012
- D-4 Notice of Decision dated January 19, 2012
- D-5 Pre-Admission Screening (PAS) completed on December 13, 2010

VII. FINDINGS OF FACT:

- 1) The Claimant is a recipient of benefits under the Aged/Disabled Waiver Medicaid Program and underwent an annual medical evaluation to determine if she continues to meet medical eligibility criteria for the program.
- 2) West Virginia Medical Institute (WVMI) Registered Nurse Brenda Myers completed a Pre-Admission Screening (PAS) medical assessment on December 29, 2011, (D-2) and determined that the Claimant does not meet medical eligibility criteria for the program. The nurse determined that the Claimant exhibits zero (0) qualifying deficits in regard to her functional abilities.
- 3) On January 4, 2012, the Department sent the Claimant a Potential Denial Notice (D-3), advising her that she had two weeks to submit additional medical information for consideration.
- 4) The Claimant was sent a final Denial Notice on January 19, 2012 (D-4).
- 5) The Claimant testified that she cannot use a knife or fork at times, and sometimes requires assistance with washing her hair. She stated that her homemaker assists her with these tasks due to arthritis in her hands. The Claimant indicated that she often does not want to tell people about her situation, and answered the PAS questions the way she thought she should respond instead of providing information about her true condition. She stated that her homemaker helps her stay motivated to do things.

The WVM Nurse testified that the Claimant reported she could feed herself and cut her own foods on the date of the assessment. She stated that the Claimant indicated she washes her own hair while in the shower; however her homemaker assists at times with washing her hair in the sink. The Claimant had stated that she has no physical impairment that prevents her from washing her own hair, but prefers that her homemaker helps her wash it in the sink. The WVM Nurse stated that the Claimant had a strong grip in both hands when assessed during the PAS.

6) Aged/Disabled Home and Community-Based Services Manual Section 501.5 (D-1)- Program Eligibility for Client:

Applicants for the ADW Program must meet the following criteria to be eligible for the program:

- C. Be approved as medically eligible for nursing home level of care.

7) Aged/Disabled Home and Community-Based Services Manual Section 501.5.1 (D-1) – Purpose: The purpose of the medical eligibility review is to ensure the following:

- A. New applicants and existing clients are medically eligible based on current and accurate evaluations.
- B. Each applicant/client determined to be medically eligible for A/DW services receives an appropriate LOC that reflects current/actual medical condition and short and long-term services needs.
- C. The medical eligibility determination process is fair, equitable and consistently applied throughout the state.

8) Aged/Disabled Home and Community-Based Services Waiver Policy Manual 501.5.1.1 (D-1):

An individual must have five (5) deficits on the Pre Admission Screening (PAS) to qualify medically for the ADW Program. These deficits are derived from a combination of the following assessment elements on the PAS.

VIII. CONCLUSIONS OF LAW:

- 1) Policy dictates that an individual must receive five (5) deficits on the PAS assessment in order to qualify medically for the Aged/Disabled Waiver Program. The Claimant was awarded zero (0) deficits on her December 2011 Aged/Disabled Waiver Program medical evaluation.
- 2) As a result of information provided during the hearing, no additional deficits are awarded to the Claimant. No information was provided to the WVM Nurse at the time of the assessment to indicate the Claimant required assistance with eating or grooming.
- 3) As no additional deficits can be awarded, the Claimant continues to lack the required deficits for continued participation in the Aged/Disabled Waiver Program.
