

## 2020 Walks for Women and Breast Cancer Awareness Month Activities

WVBCCSP would like to thank all the volunteers who made last October a huge success. Please check back in the fall for information about the 2020 Walks for Women.

Volunteers, remember to track and report all your volunteer hours and donations. These numbers help WVBCCSP keep federal funding! All Breast Cancer Awareness Month (BCAM) events need to register with the following information by July 15, 2020 so they can be listed in the official BCAM media and receive incentives. To register your BCAM event call 304-685-2858 and ask for Shelly or email [sdusic@hsc.wvu.edu](mailto:sdusic@hsc.wvu.edu) with the necessary information. Necessary Information Includes:

- **Name of event**
- **Type of event- walk, survivor celebration, fundraiser, proclamation.**
- **Location- venue name and address. Date and time of event.**
- **Contact person- name, mailing address, phone number, email**
- **How many flyers/ WVBCCSP brochures/ incentives do you need?**
- **If you are doing a walk- What replacement numbers do you need for your banner?**

The goal is to send all volunteer BCAM event materials by the end of August so you have time to promote your events in the community.

*\*BCAM Events may change due to Covid-19*

Thanks,  
WVBCCSP
