APPENDIX	10	1/99	A-1	10	2/99				
DATE: FEBRUARY 1999 TO: ALL INCOME MAINTENANCE MANUAL HOLDERS									

The following changes are being made:

WV WORKS PAYMENT STANDARD INCREASE

This change is being made to increase the WV WORKS Payment Standard for each AG size by \$25. The increase is effective February, 1999. The AFDC Medicaid limits will not change.

Appendix A, Chapter 10, is being updated to reflect the increased payment amounts. A new column, WVW Payment, was added. The examples and all other Manual material with check amounts will be updated to reflect the increase as other changes are made to these items in the future.

RAPIDS will run a Mass Change on 1/15/99 to update all WV WORKS cases effective February, 1999. The new payment amounts will show in RAPIDS on 1/18/99. An exception report will be produced and will be available on MOBIUS on 1/18/99. Notices will be generated by RAPIDS for the Mass Change. All cases which cannot be updated during the Mass Change process must be updated by the Worker, with the increased WV WORKS benefit effective for february, 1999.

Workers must recalculate all JOIN and CWEP hours, based on the new check amounts and corresponding change in Food Stamps, effective February, 1999. Supportive service payments, such as transportation, may also require an update, based on any increased hours of participation.

In addition to the RAPIDS notice of the check increase, a letter from the Governor is being sent to each WV WORKS case to announce the Payment Standard increase.

TRIP

Appendix A, Chapter 10, has also been updated to reflect the increased income limits for TRIP effective February, 1999. The new limits will be effective February, 1999 in RAPIDS.

Questions about the WV WORKS payment increases should be addressed to the OFS Policy Unit or the RAPIDS Help Desk, whichever is appropriate. Questions about the TRIP income limit increases should be addressed to the OFS Projects Unit.
