This change is being made to Chapter 19, Section 19.5, to correct the burial rate in the Indigent Burial Program and to correct pages that were numbered wrong. It also provides clarification to various statements located throughout this section. The addition of the sections on "Release of Lien against Estate" located at Section 19.5, D,2,d and "Corrective Action" located at Section 19.5, G are both new.

Also, In Chapter 16 the table of contents is being added because it was left out of Change #207 regarding Women with breast or cervical cancer (BCC).

Questions should be directed to the OFS Policy Unit.
