This change adds three new counties, Harrison, Marion and Raleigh, to the Issuance Limited (ILC) Counties list. That brings the total to fifteen (15). It continues service in Fayette County, a Non Issuance Limited (NILC) County and removes the program from Lewis County.

It also removes the authority to place ABAWDS into CWEP positions and creates a new component entitled Community Service.

It makes the necessary change in the name of the Division from the Office of Family Services to the Division of Family Assistance.

A major change in the policy is the authority to operate the program with contracted staff instead of agency staff. The responsibilities of each worker are outlined.

Appendices A and B have also been removed because they dealt with CWEP responsibilities.
