This change is being made to update income limits, maximum coupon allotments, the shelter/utility cap, standard deductions and Standard Utility Allowance (SUA) for the Food Stamp Program. The changes are effective October 1, 2004.

This change also updates the income limits for the LIEAP program.

RAPIDS will run a mass change for all active AG's on Friday, September 10, 2004, effective for October 2004 allotments.

In addition, the update of FS income limits increases the 130% reporting limits for those AG's subject to that requirement. All of these FS AG's will be notified of the new 130% amount whether their allotment changes or not.

Policy questions should be addressed to the DFA Policy Unit.

RAPIDS questions should be addressed to the RAPIDS Help Desk.

**PLEASE RETAIN THIS CHANGE TO INSERT IN NEW BASE MANUAL.**
