

R. REDETERMINATION VARIATIONS

The redetermination process is the same as the application process with the following exceptions:

1. The Redetermination List

There is no redetermination list.

2. The Date Of The Redetermination

RAPIDS sets a 12-month redetermination cycle for CDCS AG's.

3. Scheduling The Redetermination

When the AG is due for redetermination, the Worker will receive an eligibility alert. If the Worker uses client scheduling, the AG will automatically be scheduled for redetermination.

When the Worker receives notice that a redetermination is due, he must schedule it using form DFA-10.

4. Completion Of The Redetermination

When the redetermination is completed and the individual remains eligible, the case is updated to reflect current circumstances.

S. THE BENEFIT

The CDCS recipient is the only individual who appears on the medical card.

1. Ongoing Benefit

Effective April 2015 the Medicaid card issuance process will change from a monthly to a yearly issuance. The Medicaid card will not include any date parameters since eligibility may terminate.

Each January, beginning with the 2016 issuance, Medicaid recipients will receive one Medicaid card per case.

In situations where retroactive eligibility is established, the Medicaid card will be validated appropriately for each back-dated month.

2. Ending Date Of Eligibility

The ending date of eligibility is the last day of the month of the effective month of closure.
