

Practitioners and Ongoing Service Coordinators:

If you have not obtained an NPI number and submitted a completed Central Finance Office (CFO) enrollment form to Gainwell Technologies, we want to help you with the process! If you received a call or email from the state office regarding an issue with your NPI number, we want to help you too!

The state Birth to Three team has set up drop in Zoom sessions to help with the NPI process. You can come at your convenience anytime during the two hour times listed below on each date.

Tuesday **12/17/24 6:30-8:30 pm** - <https://zoom.us/j/92565686933>

Wednesday **12/18/24 7:30-9:30 am** - <https://zoom.us/j/92565686933>

Thursday **12/19/24 12:00-2:00 pm** - <https://zoom.us/j/92565686933>

Remember that the state office **MUST HAVE** your NPI number entered into the Health Pas system by January 1, 2025 or you will not be able to bill.

Please plan to drop into one of these zoom sessions so we can help you!

If you are not able to come to any of these sessions, please contact one of the TAs below as soon as possible for assistance.
