Building Family Success: The Role of the WV Family Treatment Court

In 2019, Hours Bill 3057 permitted the Supreme Court of Appeals of West Virginia to create and implement a Family Treatment Court pilot program. The Family Treatment Courts are designed to return children to a safe home environment and achieve permanency more effectively than traditional methods. During the training, participants will learn about the Family Treatment Court and the impact the program has on individuals in recovery.

Please join us in welcoming Sherri Christman, Family Treatment Court Case Coordinator for the WV Fourth Judicial Circuit as our presenter.

Wednesday, October 18, 2023 - 1:30 pm - 2:30 pm
Session will be held via Zoom - Register [HERE](#)
