

SUPPORTING CHILDREN WITH  
**AUTISM**  
THROUGH THEIR DAY

**EVENT LOCATION:**

<https://militaryfamilieslearningnetwork.org/event/30362/>

**CONTINUING EDUCATION INFORMATION:**

This webinar offers CE credits through the Early Intervention Training Program (EITP) at the University of Illinois for providers in Illinois.

Other states have agreed to recognize the CE credits offered through the Early Intervention Training Program (EITP) at the University of Illinois. Check the event page for additional information.

**Attention BCBA's:**

This webinar will offer one and a half (1.5) BACB CE credits during the **LIVE** webinar event only!

**RSVP TODAY!**

RSVP for this free webinar by visiting the event page, using the link above.

## Yuck! I Don't Eat That! Nutrition & Selective Eating in Young Children with Autism

JUNE 12, 2019, 11:00 AM - 12:30 PM EASTERN

**ABOUT THIS WEBINAR:**

Many families of young children with autism and related disorders face challenges related to diet, nutrition, and food selectivity. This webinar will address common concerns of families surrounding dietary preferences and limitations often seen in young children with autism. The presenters will highlight the effects of food preferences, aversions, and special diets on child and family outcomes and discuss ways professionals and families can encourage young children with autism to broaden their diet. They will also provide strategies for ensuring quality nutrition in young children with autism and related disorders.

**PRESENTERS:**

**Dr. Jamie Pearson**, a former ABA therapist and autism program consultant, is an Assistant Professor of Special Education in the Department of Teacher Education and Learning Sciences at North Carolina State University.

**Dr. Hedda Meadan** is an Associate Professor at the Department of Special Education at the University of Illinois, a Goldstick Family Scholar, and a Board Certified Behavior Analyst.
