

Special Topic Training

PARTNERING WITH FAMILIES EXPERIENCING MENTAL HEALTH CHALLENGES

This training will provide an overview of the prevalence of severe mental health in adults, the impact this has on children, adverse childhood experiences, and how to enter the family system.

Speaker

Amanda Newhouse, Clinical Social Work Faculty, West Virginia University

April 13, 2026

10:30 a.m. - 12:00 p.m.
