- a. **School or Training Program** – You must verify school attendance with a letter from the school, copy of your school schedule, and a copy of your most recent grades.
- b. **Work** – You must provide one month’s worth of pay stubs for each person who works. If you are newly employed and have not received one month’s worth of pay stubs, you must have your employer complete the New Employment Verification Form (ECE-CC-1B).
- c. **CPS Safety or Treatment Plan** – A copy of the plan must be received which lists days and hours care is requested and any special requirements such as a waiver of fee payment.

3. VERIFICATION OF INCOME RECEIVED

- a. For each person who works, you must attach either:
 1. Copies of that person's most recent pay stubs for at least one month's time, or
 2. A completed "New Employment Verification Form" which shows monthly gross income or hourly wage and average number of hours worked weekly.
 3. If income varies and there have been no changes in hourly wage or salary, three months of pay stubs may be sent in.
 4. If a person is self-employed, net income must be reported and verified by business and/or tax records.
- b. If you receive child support, you must send in either:
 1. A copy of your divorce or child support decree, or
 2. A copy of child support received from the Bureau of Child Support Enforcement.
- c. Other income: you must send in copies of check stubs or award letters to verify any other income received (i.e., TANF, SSI, etc.).

4. PROOF OF CITIZENSHIP:

- a. All child care applicants, including foster care and kinship relative foster care parents, must verify that children receiving child care services are either a U.S. Citizen or a qualified alien. Applicants who cannot provide verification of citizenship are not eligible to receive child care services. If you have already supplied proof of citizenship for children in need of care, you do not have to do so again.
- b. Acceptable Proofs of Citizenship: citizenship can be verified by submission of any document that proves a U.S. place of birth or documents showing that the person is a U.S. citizen. All documents must be either an original or a copy certified by the issuing agency. The most common proof of citizenship is a certified birth certificate. Please check with your worker if you do not have these documents for children needing care.

REMEMBER – If you do not return required supporting verifications with your status check, your child care case will be closed, and you will have to reapply for services.
