How will I know my account balance?
The easiest way to know your account balance is to keep your receipts. If you don’t have your receipts, you may check your balance on the Internet at www.ebtaccount.jpmorgan.com or you can call the 24-hour EBT Helpline. You should always check your account balance before you go to get cash or shop.

What happens if the POS machine is not working?
If you want to purchase eligible food items with your SNAP benefits, and the POS machine is not working or there is not one at the store, the cashier will fill out a paper form called a food benefit voucher. The cashier will write in your Mountain State Card number and the amount you are spending. DO NOT give the cashier your PIN. The cashier will call to see if you have enough benefits in your SNAP account to buy the food. If there is enough in your SNAP account, you will be asked to sign the voucher and will be given a copy of it. It is very important to keep this copy so you can subtract what you spent from your balance shown on your last EBT receipt. This will give you the current amount on your account. The store cannot process a manual voucher for Cash benefits.

Can I withdraw coins or cash denominations less than $5.00 from the ATM?
No. The smallest cash denomination that will be dispensed from a bank machine is usually a $5 or $10 dollar bill. The ATM menu will tell you the cash denominations that can be withdrawn, such as $5, $10 or $20.

If I have less than $10.00 worth of cash on my Mountain State Card, how will I get it out?
You can make a Point-of-Sale purchase or cash-back transaction at participating stores to get these funds.

Are there any transaction fees or surcharges for using my Mountain State Card?
There is never a charge for using your card to buy food. At ATMs and/or POS machines where you see the Quest logo, the first two cash withdrawals each month are free. For each one after that, a $1.00 fee is taken out of your Cash account. Bank surcharges, if any, for using ATMs will also be taken from your account.

A surcharge is an additional fee charged by the owner of an ATM or POS machine for using that machine to make a cash withdrawal. Surcharges, if any, for getting cash will also be taken from your account automatically.

ATM/POS approved cash withdrawals
• First 2 per month are free
• Additional withdrawals are $1.00

ATM surcharges
• Look for a sign near the ATM or POS machine that tells you the surcharge amount. If you do not want to pay the surcharge, simply cancel your transaction and go to another ATM or POS location that does not charge a surcharge.

Can I deposit money into my EBT account?
No. You may only withdraw money from your Cash account.

Each month your benefits will automatically be added to your account. As you use your benefits to get cash or buy goods, your account balance will decrease.

When do I get my benefits?
Benefits are scheduled for deposit once each day between midnight and 8:00 a.m. If an expected benefit does not show in your account, contact your worker or the DHHR Customer Service Center at 1-877-716-1212.

Cash: Cash benefits are available on your Mountain State Card on the FIRST calendar day of every month. SNAP: This chart shows the SNAP Benefit Issuance Schedule. Find the first letter of your last name and then look across to find the day of the month that your SNAP benefits will be available on your Mountain State Card.

Benefits you have left over at the end of the month will be carried over to the next month. If you do not use your benefits for 365 days, your benefits will be removed from your account.

Where can I use my Mountain State Card?
You can use your Mountain State Card at participating stores and ATMs (cash machines for Cash benefits only) where you see the Quest logo.

How do I use my Mountain State Card?
After you swipe or insert your card into the Point-of-Sale (POS) terminal at a store or an ATM, you enter your Personal Identification Number (PIN) and follow the instructions.

What should I do if I lose my card?
If your Mountain State Card is lost or stolen and you need a replacement card, call the toll-free EBT Helpline at 1-866-545-6502. All replacement cards will be received within three to five business days from the date you call.

2. Do NOT write your PIN on your card.
3. Sign the back of your card.

5. Do NOT bend your card.
6. Keep your card away from magnets and electronic equipment, such as TVs, radios, microwaves, etc.

What is a Personal Identification Number (PIN)?
A PIN is a four-digit secret code that allows you to use your Mountain State Card. Never tell your PIN to anyone! If someone knows your PIN, they can use your card to get your benefits – and those benefits will not be replaced. You also should not write your number on your Mountain State Card and do not keep it written down in your wallet or purse.

What if I forget my PIN?

What if I enter the wrong PIN?
If you are having trouble remembering your PIN, DO NOT try to guess your PIN when entering it on a POS terminal or ATM. If you enter the wrong PIN, you have three more chances to enter the correct number. If the correct PIN is not entered by the fourth try, you won’t be able to use it until 12:00 a.m. the next day because a hold is placed on your card. In some cases, your card may be taken by the ATM. If the ATM keeps your card, contact the EBT Helpline for a replacement card.
