Dear Ms. 

Attached is a copy of the findings of fact and conclusions of law on your hearing held February 28, 2007. Your hearing request was based on the Department of Health and Human Resources' action to deny your application for the Aged and Disabled Waiver Services Program.

In arriving at a decision, the State Hearings Officer is governed by the Public Welfare Laws of West Virginia and the rules and regulations established by the Department of Health and Human Resources. These same laws and regulations are used in all cases to assure that all persons are treated alike.

Eligibility for the Aged and Disabled Waiver Services Program is based on current policy and regulations. Some of these regulations state as follows:

Applicants for the ADW Program must meet all of the following criteria to be eligible for the program:

- A. Be 18 years of age or older.
- B. Be a permanent resident of West Virginia. The individual may be deinstitutionalized from a NF in any county of the state, or in another state, as long as his permanent residence is in West Virginia.
- C. Be approved as medically eligible for NF Level of Care.
- D. Meet the Medicaid Waiver financial eligibility criteria for the program as determined by the county DHHR office or the Social Security Administration (SSA) if an active SSI (Supplemental Security Income) recipient.
- E. Choose to participate in the ADW Program as an alternative to NF care.

Even if an individual is medically and financially eligible, a waiver allocation must be available for him/her to participate in the program. (WV Provider Manual Chapter 503 MEMBER ELIGIBILITY AND ENROLLMENT PROCESS).

The information submitted at your hearing revealed: You do not meet the medical eligibility criteria for the Aged and Disabled Waiver Services Program.

It is the decision of the State Hearings Officer to **uphold** the **action** of the Department to deny the application.

Sincerely,

Ray B. Woods, Jr., M.L.S.

DECISION OF STATE HEARING OFFICER

I. INTRODUCTION:

This is a report of the State Hearing Officer resulting from a fair hearing concluded on March 1, 2007 for Ms. ██████████. This hearing was held in accordance with the provisions found in the Common Chapters Manual, Chapter 700 of the West Virginia Department of Health and Human Resources. This fair hearing was convened on February 28, 2007 on a timely appeal filed December 20, 2006.

II. PROGRAM PURPOSE:

The Program entitled Aged and Disabled Waiver Services Program is set up cooperatively between the Federal and State governments and administered by the West Virginia Department of Health & Human Resources.

Under Section 2176 of the Omnibus Budget Reconciliation Act of 1981, states were allowed to request a waiver from the Health Care Financing Administration (HCFA) so that they could use Medicaid (Title XIX) funds for home and community-based services. The program's target population is individuals who would otherwise be placed in an intermediate or skilled nursing facility (if not for the waiver services). Services offered under the Waiver Program will include: (1) chore, (2) homemaker and (3) case management services. West Virginia has been offering the Waiver Services Program since July, 1982 to those financially eligible individuals who have been determined to need ICF level care but who have chosen the Waiver Program Services as opposed to being institutionalized.
