c/o -----

Dear -----:

Attached is a copy of the findings of fact and conclusions of law on your hearing held January 5, 2011. Your hearing request was based on the Department of Health and Human Resources' proposal to reduce your homemaker service hours under the Aged/Disabled (HCB) Title XIX Waiver Services Program.

In arriving at a decision, the State Hearing Officer is governed by the Public Welfare Laws of West Virginia and the rules and regulations established by the Department of Health and Human Resources. These same laws and regulations are used in all cases to assure that all persons are treated alike.

Eligibility for the Aged/Disabled Waiver Program is based on current policy and regulations. One of these regulations specifies that for the Aged/Disabled Waiver Program, the number of homemaker service hours is determined based on the Level of Care (LOC). The Level of Care is determined by evaluating the Pre-Admission Screening Form (PAS) and assigning points to documented medical conditions that require nursing services. Program services are limited to a maximum number of units/hours which is reviewed and approved by WVMI. (Aged/Disabled Home and Community-Based Services Waiver Policy and Procedures Manual 501.3)

Information submitted at your hearing reveals that you continue to require the degree of care and services necessary to qualify medically for the Aged/Disabled Waiver Program and your documented medical conditions confirm that your Level of Care should be a Level "C" rating. As a result, you are eligible to receive four (4) hours per day or 124 hours per month of homemaker services.

It is the decision of the State Hearing Officer to **uphold** the proposal of the Department to decrease your Level of Care under the Aged/Disabled Waiver Program.

Sincerely,

Pamela L. Hinzman
State Hearing Officer

Health and Human Resources,**

DECISION OF STATE HEARING OFFICER

I. INTRODUCTION:

This is a report of the State Hearing Officer resulting from a fair hearing for ----- . This hearing was held in accordance with the provisions found in the Common Chapters Manual, Chapter 700 of the West Virginia Department of Health and Human Resources. This fair hearing was convened telephonically on January 5, 2011 on a timely appeal filed October 19, 2010.

It should be noted that the Claimant's benefits have continued pending a hearing decision.

II. PROGRAM PURPOSE:

Under Section 2176 of the Omnibus Budget Reconciliation Act of 1981, states were allowed to request a waiver from the Health Care Financing Administration (HCFA) so that they could use Medicaid (Title XIX) funds for home and community-based services. The program's target population is individuals who would otherwise be placed in an intermediate or skilled nursing facility (if not for the waiver services). Services offered under the Waiver Program will include: (1) chore, (2) homemaker and (3) case management services. West Virginia has been offering the Waiver Services Program since July, 1982 to those financially eligible individuals who have been determined to need ICF level care but who have chosen the Waiver Program services as opposed to being institutionalized.

III. PARTICIPANTS:

-----, Claimant's son
-----, Claimant's daughter-in-law/Homemaker
-----, Case Manager, Quality Care Management
Kay Ikerd, RN, Bureau of Senior Services
Barbara Plum, RN, West Virginia Medical Institute

Presiding at the hearing was Pamela L. Hinzman, State Hearing Officer and a member of the State Board of Review.

IV. QUESTION TO BE DECIDED:

The question to be decided is whether the Agency was correct in its proposal to reduce the Claimant's homemaker service hours under the Aged/Disabled Waiver (HCB) Program.

V. APPLICABLE POLICY:

Aged/Disabled Home and Community-Based Services Manual Sections 501.3.2.1 and 501.3.2.2

VI. LISTING OF DOCUMENTARY EVIDENCE ADMITTED:

Department's Exhibits:

- D-1 Aged/Disabled Home and Community-Based Services Manual Sections 501.3.2.1 and 501.3.2.2
- D-2 Pre-Admission Screening (PAS) assessment completed on September 30, 2010
- D-3 Notice of Decision dated October 11, 2010

VII. FINDINGS OF FACT:

- 1) The Claimant, a recipient of Aged/Disabled Waiver (ADW) Medicaid benefits, underwent an annual reevaluation to verify continued medical eligibility for the program.
- 2) West Virginia Medical Institute (WVMI) Nurse Barbara Plum completed a Pre-Admission Screening (PAS) medical assessment (D-2) on September 30, 2010 and determined that the Claimant continues to meet the medical eligibility criteria. The Claimant was assigned 24 points to documented medical conditions that require nursing services and meets the criteria necessary to qualify as a Level of Care "C" - eligible for four (4) hours per day or 124 hours per month of homemaker services. It should be noted that the Claimant previously qualified for a Level of Care "D"- eligible for five (5) hours per day or 155 hours per month of homemaker services.
- 3) The Claimant was sent notification on October 11, 2010 (D-3) advising her of the proposed reduction in homemaker service hours.

- 4) -----, the Claimant's son, testified that his mother was hospitalized on October 15, 2010 and now requires total assistance with various functions of daily living including bathing, dressing, grooming and eating. He also noted that the Claimant is experiencing more bladder/bowel accidents and her physician has ordered additional medical testing. ----- indicated, however, that the changes in functional abilities have occurred since his mother's hospitalization after the PAS was completed.

Kay Ikerd, RN, with the Bureau of Senior Services, indicated that the Claimant's Homemaker RN can submit a request for additional homemaker service hours if the Claimant's condition has deteriorated since the PAS was completed.

- 5) Aged/Disabled Home and Community-Based Services Waiver Policy Manual Sections 501.3.2.1 and 501.3.2.2 (D-1): There will be four levels of care for clients of ADW homemaker services. Points will be determined based on the following sections of the PAS:

- #23- Medical Conditions/Symptoms- 1 point for each (can have total of 12 points)
- #24- Decubitis- 1 point
- #25- 1 point for b., c., or d.
- #26 Functional abilities
 - Level 1- 0 points
 - Level 2- 1 point for each item a. through i.
 - Level 3- 2 points for each item a. through m.; i. (walking) must be equal to or greater than Level 3 before points are given for j. (wheeling)
 - Level 4 - 1 point for a., 1 point for e., 1 point for f., 2 points for g. through m.
- #27 Professional and Technical Care Needs- 1 point for continuous oxygen
- #28 Medication Administration- 1 point for b. or c.
- #34- Dementia- 1 point if Alzheimer's or other dementia
- #34- Prognosis- 1 point if terminal

The total number of points allowable is 44.

LEVELS OF CARE SERVICE LIMITS

- Level A- 5 points to 9 points- 2 hours per day or 62 hours per month
- Level B- 10 points to 17 points- 3 hours per day or 93 hours per month
- Level C- 18 points to 25 points- 4 hours per day or 124 hours per month
- Level D- 26 points to 44 points- 5 hours per day or 155 hours per month

VIII. CONCLUSIONS OF LAW:

- 1) Policy dictates that an individual's Level of Care for the Aged/Disabled Waiver Program is determined by the number of points obtained on the PAS assessment tool.
- 2) The Claimant was awarded 24 points as the result of a PAS completed by WVMI in September 2010 in conjunction with her annual medical evaluation.
- 3) As a result of information presented during the hearing, no additional points can be awarded. The Claimant's son indicated that his mother's condition has worsened, however the changes have occurred since the date of the PAS.
- 4) The Claimant's total number of points remains at 24, rendering her eligible to receive a Level "C" Level of Care.

IX. DECISION:

It is the decision of the State Hearing Officer to **uphold** the Agency's proposal to reduce the Claimant's homemaker service hours under the Aged/Disabled, Title XIX (HCB) Waiver Program.
