Foster Care Ombudsman Quarterly Report

Reporting Period: Third Quarter - January 1, 2022 to March 31, 2022

Voices Heard. People Empowered. Systems Informed.

Introduction

The Foster Care Ombudsman (FCO), located within the West Virginia Department of Health and Human Resources (DHHR), Office of Inspector General, receives, investigates, and resolves complaints filed on behalf of foster children, foster parents, kinship parents, and on the Foster Care Ombudsman's own initiative. This quarterly report provides summary data relating to complaints pursuant to the requirements of W. Va. Code §9-5-27, §49-9-102, §49-2-126, and §49-2-127.

Mission:

The Foster Care Ombudsman is an independent, impartial, and confidential resource that advocates for the rights of foster children and foster/kinship parents, investigates and resolves complaints, and makes recommendations for systemic reform.

Vision:

We envision an empathic, healing, and accountable child welfare system where voices are heard, people are empowered, and systems are responsive.

Data in the quarterly report does *not* yet include systemic reviews/cases or those that are conducted on the Foster Care Ombudsman's initiative. Information detailing this work product will be integrated into future reports. Detailed "drill down" complaint data by county is available to the Bureau of Social Services.
